

MAJOR LEAGUE TOTS

Quarterly Newsletter:
April, May, & June 2021

Scholastic Book Club

Help your child's class earn free books! We are now doing the scholastic book club starting in May. Each month you will get flyers to look through. Turn your order into Ms. April or Mr. Chevis or place your order online!

The flyers will have our school online code along with the due date.

Reminders to Parents

- **Our policy to be there by 9 AM will be enforced! Your child must have a doctor's note to come in after 9 AM.**
- **Parent Participation News: We will let families know when we can return to family involvement with Parent Participation Days.**
- **As of now we won't be having our Spring pictures in the month of April due to the COVID protocol limiting traffic in the facility.**

Happy Birthday to all of our Spring babies!

Our School Sick Policy

We have had a rough year with all kinds of sickness going around. If your child is sick, please keep them at home until they are well. Also, please make sure they are getting their medications. Even if the child only has allergies, if it gets too bad, they will have to go home, so the parent/guardian can take care of them. We understand you have to work and it can be an inconvenience and we do apologize. We have to look out for every one that is in our school, including our staff. We are not the school system and we do not have subs that we can call. If we do not have enough staff, then we will have to close. A doctor's note will not override our school sick policy. Please make sure you have read it and if you have any questions, please contact Ms. April.

Easter Egg Hunt

Our Easter egg hunt will be April 1st. Each classroom will do their egg hunt during their outside times. Each child will need 12 candy filled eggs and his or her own baskets. Each teacher will designate parents to bring snacks.

Each classroom will have prizes for the child that gets the most eggs, the golden egg, and the silver egg!

Please make sure the candy you put in the eggs are individually wrapped and not loose candy.

Let's Celebrate Our Teachers!

Teacher Appreciation week is May 3rd through the 7th! This is a national holiday to recognize all teachers! Our teachers work hard every day caring and loving your children. Show them you appreciate them during this week. We will send out more info later.

It takes a village to raise a child and our teachers are a part of the village! We hope everyone can show their appreciation for their teachers!

Mark Your Calendars!

Week of the Young Child

This is celebrated every April and is a national celebration! This week acknowledges the importance of education for young children by holding a week-long celebration focused on the earliest learners and honoring those that teach them. This is a fun filled theme week! The children will be learning with movement, hands on cooking activities, and building team skills within their classrooms!

How are we different?

- Family owned and operated
- Educators, not babysitters
- Connections with your children
- Giving parents peace of mind
- Meeting the needs of the whole child
- Teachers continuing education
